

Below is a list of benefits included in a Core Health Discount Medical Plan.

Alternative Medicine

More and more people today are exploring complementary and alternative medicine (CAM) services to maintain health and wellness. This program helps members save 20% on CAM services, including acupuncture, chiropractic care, massage therapy, nutritional counseling, meditation/relaxation, and naturopathy.

How to access: Go to www.findbestbenefits.com and use the Personalized Provider List to obtain a list of participating providers in your area. Locate the CAM network name on the front of your membership card and give this network name to your provider when making your appointment. At your appointment, simply present your membership card before getting treatment to be assured that the proper discount is applied. Payment is due at the time of service.

Chiropractic Care

Millions of Americans rely on chiropractic care to reduce pain and stress, and to function more productively. Members can save 20% to 40% on chiropractic fees at participating chiropractors across the country. The benefit includes a free initial consultation, discounts on examinations and x-rays, as well as 40% savings on diagnostic services, and 20% savings on all other services and follow up treatments.
